ABOUT ME

Product designer with eight years of experience in B2B software. I turn complex workflows into calm, accessible interfaces.

SKILLS

- Figma, FigJam, Framer
- Design systems & tokens
- User research, usability testing
- HTML/CSS, basic React
- Workshop facilitation

LANGUAGES

- German (native)
- English (C2)
- Spanish (B1)

EXPERIENCE

Lead Product Designer, Beispiel GmbH
2022 – today

- Built and maintain a design system used by **14 product teams**
- Reduced onboarding time for new customers by 40 % through a redesigned setup flow
- Mentoring four designers

UX Designer, Muster Software AG
2018 – 2022

- Redesign of the reporting module (NPS +18)
- Introduced continuous user research with monthly interview rounds

EDUCATION

B.A. Interaction Design, HTW Berlin
2014 – 2018

- Thesis: “Calm interfaces for data-heavy applications” (grade 1.3)
