5 Acceptance criteria 2

1 Current situation

Appointments are only made by phone today. At peak times the clinic is hardly reachable, and about 15 % of appointments are missed.

2 Objective

Patients should be able to book, move and cancel appointments online around the clock. The no-show rate should fall below 5 %.

3 Functional requirements

ID	Requirement	Priority
F-01	Show free slots by type of treatment	Must
F-02	Book an appointment with e-mail confirmation	Must
F-03	Reminder 24 hours before the appointment	Must
F-04	Move or cancel an appointment online	Should
F-05	Waiting list for slots that become free at short notice	Could

4 Non-functional requirements

- **Privacy:** processing exclusively on servers in the EU, GDPR compliant
- **Availability:** at least 99.5 % per month
- **Accessibility:** WCAG 2.2 level AA

5 Acceptance criteria

1. All must-have requirements are implemented and tested.
2. A four-week pilot runs without critical defects.
