PROJECT PROPOSAL

TeXify for Non-Profits

Automated document creation for small non-profits

Applicant	Alex Example, Leipzig
Funding programme	Digital Volunteering 2027
Duration	01/2027 – 12/2027
Amount requested	€18,500

1 Background

Small associations create membership confirmations, donation receipts and invitations by hand in word processors. This costs time and leads to inconsistent documents.

2 Goals

1. Templates for the ten most common association documents
2. Creation from plain text files – no prior knowledge required
3. Training for at least **20 associations** during the project

3 Work plan

Phase	Period	Result
1	Q1 2027	Requirements analysis with partners
2	Q2–Q3 2027	Templates and tooling
3	Q4 2027	Training and evaluation

4 Sustainability

All results are published under an open licence and can be reused by other associations free of charge.

5 Budget

Item	Amount
Development staff costs 300 h at €50	€15,000.00
Hosting & infrastructure	€1,200.00
Workshops with associations 4 sessions incl. material	€2,300.00
Total	**€18,500.00**
